

MOTION BY SUPERVISOR YVONNE B. BURKE

April 8, 2008

The Los Angeles Universal Preschool (LAUP) is celebrating the Week of the Young Child April 13-19, 2008. The Week of the Young Child is an annual nationwide celebration sponsored by the National Association for the Education of Young Children (NAEYC). NAEYC is the world's largest association advocating the importance of early childhood education. The purpose is to focus public attention on the needs of young children and their families, and to recognize the importance of early childhood programs and services that are essential for securing a better future for children.

In the Los Angeles County, the week is a time to raise public awareness on how all of us as members of our communities can better meet the needs of your children to help them get a good start in life. LAUP believes strongly in, and to celebrate the teachers and policies that bring early childhood education to your children.

NOW, THEREFORE I MOVE that the Los Angeles County Board of Supervisors does hereby proclaim April 13-19, 2008 as "The Week of the Young Child," in Los Angeles County and encourage all citizens to work to make a good investment in early childhood.
